Macfrut 2021 Information Day

An online meeting was held on April 21, 2021, during which information was represented about Macfrut 2021 fair. The organisers of the exhibition presented information on the benefits and conditions of participation in this fair. This year Macfrut will take place online and offline on September 7-9 in Rimini, Italy. Manufacturers and importers of fresh fruits, vegetables, nuts, dried fruits, spices, aromatic herbs can take part at the EXPO. A number of benefits will be given to the importers. During the meeting, the representatives of the business support organizations and local companies had the opportunity to get the answers to their questions directly from the organisers.

Information event

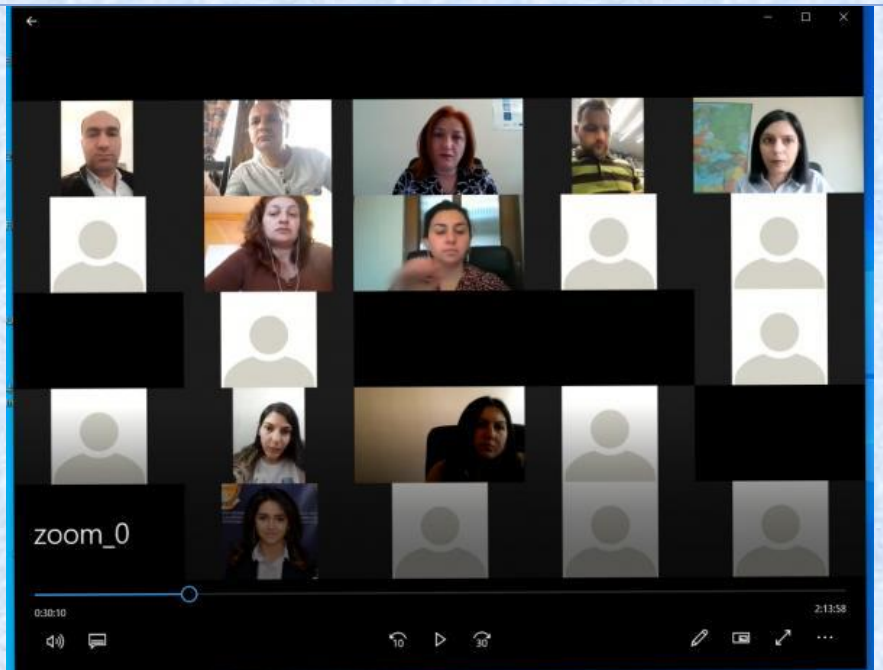

On April 26, 2021, in the framework of the World Intellectual Property Day, an online information event on SME support programs and tools, as well as the topic of the importance of intellectual property in SMEs was represented during this event.

Acting Coordinator of International Cooperation and Business

Internationalization Programs of the Fund "Investment Support Center" Ani Khandamiryan, greeted the participants and coordinated the event.

Ms. Shushanik Gasparian, the International cooperation programs' expert of the Fund "Investment Support Center", briefly represented the fund's mission, functions, as well as focused on the services which provides European Enterprise Network. The head of consulting support projects of the Fund "Investment Support Center", Ms. Lilit Hayrapetyan, who is also the project manager of the program "ERASMUS for Young Entrepreneurs" (EYE), presented the project "ERASMUS for Young Entrepreneurs". She spoke about the advantages, the targeted SMEs and the procedure of participation in the project.

The "Intellectual Property and SMEs" topic was introduced by Hripsime Papikyan, a lawyer and member of the Board of Trustees of the Intellectual Property Right Center. German "Senior Expert Services" (SES) Project representative Ms. Mariam Majinyan represented to the participants the services of SES, the advantages of using the services and already existing experience among Armenian companies, which benefited from it. The participants received answers to their questions related to the above-mentioned programs during the event.
